Exciting news for the 2008-09 season.

Last year, the team finished 20-10-1, making the playoffs in both the ACHA DII Southeast Region semi finals (losing to Indiana University, National runner up) and the MACHA semi finals.

UMBC finished the year ranked 8th in the Southeast Region and 31st overall in the ACHA DII.

The success from last season was evident in that both coaches and 4 players were selected to the MACHA All-Stars in conjunction with 1 player being selected 3rd team All-American in the ACHA DII Southeast region.

We are excited for this upcoming season having lost only 3 players to graduation and returning 3 of the 4 mentioned above. While the majority of the team returns from last season, let's not forget about our promising incoming class. Eight players have committed to the UMBC program, so keep your eye out for them.

As you can see, the Retriever program proudly represents the University of Maryland Baltimore County with sportsmanship, fortitude and resilience on the national stage.

UMBC is generous in their support of the hockey program; however, the program is not fully funded by the university. With that said, we seek outside funding in the form of donations and sponsorship to help keep the program going strong. We want to thank all of the supporters who have backed the program, making it what it is today.

With multiple levels of sponsorship, the DAWGS can help your business score.

So what's the exciting news...

This year, the DAWGS will be broadcasting all of their home games, some of their away games and tournament play via the internet. Playing in the American Collegiate Hockey Association (ACHA), which happens to be the single largest collegiate hockey league in the United States as well as the Mid Atlantic Collegiate Hockey Association, the opportunity to reach a vast audience is truly within your reach.

We also have a new look for the upcoming season. We invite you to visit our new web site: www.umbcicehockey.com. This year we will be having a Team Year Book in addition to having game day handout programs with rosters etc. Merchandise will be sold again and we are pleased to announce an ample supply of Game Jerseys' which have been in great demand thanks to our alumni Chef Duff Goldman, owner of Charm City Cakes, as seen on the Food Network- Ace of Cakes.
